CONFIDENTIAL FLEET PROPOSAL

Fleet Supply Proposal

Chery Tiggo Cross CVT — LiT

A turnkey fleet solution for BCI Security Company — the right vehicle, one price per unit, a single fleet account, and aftersales that keeps the fleet on the road.

Letter of Introduction

2 October 2026

Attention: [Name, Title]

BCI Security Company

[Address]

Dear [Mr/Ms Surname],

Re: Supply of Chery Tiggo Cross CVT (LiT) vehicles for the BCI Security fleet

Thank you for the opportunity to quote CMH Wetland for BCI Security Company's fleet requirement. A security operation lives or dies on reliability — vehicles that start every morning, cover long daily distances on patrol and response work, are cheap to run, and are quick and affordable to put back on the road when they need a service.

The Chery Tiggo Cross CVT in LiT specification is, in our view, an unusually strong fit for that brief: a modern, well-equipped compact SUV with the ground clearance and presence that suits a security brand, a frugal turbocharged drivetrain, and one of the strongest warranty and service-plan packages in its class. Bought as a fleet, it also carries a per-unit price that is difficult to match on a comparable vehicle.

This proposal sets out the recommended vehicle, the fleet pricing and volume terms, finance and ownership options, the warranty and aftersales cover, and a delivery plan that gets your vehicles on the road quickly. Every price and hard specification figure is clearly marked for final confirmation against current Chery pricing and the signed fleet agreement — we would rather confirm the exact figure than quote one that turns out to be wrong.

We would welcome a meeting to finalise specification, colours and livery, and to arrange a demonstration unit for your team to evaluate.

Yours faithfully,

[Fleet Executive Name]

1. About CMH Wetland

CMH Wetland is an authorised Chery dealership with a dedicated fleet division. We supply, finance and maintain vehicles for commercial operators, with a single fleet account manager and a workshop geared to keep working vehicles moving. For an operation like BCI, our value is not just the vehicle price — it is keeping the fleet available.

2. Understanding BCI's Fleet Requirement

Based on our discussions, the fleet is intended for security operations, which drives the recommendation:

What the vehicle must do

- High daily mileage on patrol and response routes
- Reliable cold starts and all-day duty cycles
- Low fuel and running cost per kilometre
- Carry officers plus equipment comfortably

What matters commercially

- Competitive per-unit price across the fleet
- Predictable maintenance via a service plan
- Strong warranty to limit downtime risk
- Good residual value at fleet replacement

Assumed quantity: [00] units of the Chery Tiggo Cross CVT (LiT). Final quantity, colours and any livery requirements to be confirmed before order.

3. Recommended Vehicle — Chery Tiggo Cross 1.5 LiT CVT

The Tiggo Cross is Chery's compact SUV, and the 1.5 LiT CVT derivative pairs an efficient naturally aspirated petrol engine with a smooth automatic transmission and an unusually generous equipment list for the price — a practical, low-fatigue vehicle for officers who spend their shift behind the wheel.

Why it suits a security fleet

- **Presence.** SUV stance and height project authority and shrug off rough access roads and kerbs.
- **Running cost.** A frugal 7.3 L/100 km claimed figure and an auto gearbox cut fuel burn and driver fatigue on long shifts.
- **Comfort & safety.** A 10.25" dual-screen cabin, cruise control, reverse camera and four airbags keep officers alert, connected and protected.
- **Ownership peace of mind.** A 5-year/150 000 km vehicle warranty and 10-year/1 million km engine warranty cap downside risk across the fleet.

Full specification

ENGINE & PERFORMANCE		SAFETY	
Engine	1.5 L petrol, 4-cyl, naturally aspirated	Airbags	4 (front & front-side)
Max power	83 kW @ 6 150 r/min	Braking	ABS with brake-force distribution
Max torque	170 N·m @ 4 000 r/min	Stability	Electronic stability control
Transmission	CVT, front-wheel drive	Traction	Traction control
Fuel use (claimed)	7.3 L/100 km	Monitoring	Tyre-pressure monitoring
Fuel tank	51 L	Parking	Reverse camera
		Child seats	ISOFIX mounts
DIMENSIONS & CAPACITY		COMFORT & TECHNOLOGY	
Length	4 320 mm	Display	10.25" dual integrated touchscreen + digital cluster
Width	1 831 mm	Connectivity	Bluetooth, multifunction steering wheel
Height	1 652 mm	Driving	Cruise control, power steering
Wheelbase	2 610 mm	Convenience	Electric windows, remote central locking
Luggage	380 L		
Seating	5		

DIMENSIONS & CAPACITY	
Wheels	16-inch
OWNERSHIP	
Vehicle warranty	5-year / 150 000 km
Engine warranty	10-year / 1 000 000 km (first owner)
Service plan	3-year / 45 000 km
Reference retail	R 309 900 (before fleet terms)

COMFORT & TECHNOLOGY	
Climate	Air-conditioning
Lighting	LED headlamps
Access	Keyless entry & push-button start
Interior	Leatherette upholstery
Fleet build to confirm: colours, any livery/branding, tow bar, rubberising/load liner and tracking hardware. Specification shown is the standard 1.5 LiT CVT.	

Specifications verified against Chery South Africa and SA motoring sources, October 2026. Figures are the manufacturer's claims for the standard 1.5 LiT CVT; final build, colours and current pricing confirmed at order.

4. Fleet Pricing

Retail reference price shown is the current Chery South Africa figure (October 2026); the fleet discount, on-the-road costs and options are placeholders pending the signed fleet agreement. Prices exclude VAT unless stated. Fleet discount applies to the confirmed quantity and will be re-confirmed for the final order.

ITEM	PER UNIT	QTY	TOTAL
Chery Tiggo Cross 1.5 LiT CVT — retail	R 309 900	[00]	R [0 000 000]
Less: fleet discount [00] %	–R [00 000]	[00]	–R [000 000]
On-the-road (per unit): licensing, registration, delivery	R [0 000]	[00]	R [00 000]
Optional: fleet livery / branding	R [0 000]	[00]	R [00 000]
Optional: vehicle tracking unit + subscription	R [0 000]	[00]	R [00 000]
Indicative fleet total (excl. VAT)			R [0 000 000]

Net price per vehicle

After fleet discount: R [000 000] (excl. VAT)

On the road: R [000 000]

Volume terms

Discount tier based on [00] + units.

Larger orders qualify for improved pricing — happy to re-quote.

5. Finance & Ownership Options

OPTION	SUMMARY	INDICATIVE MONTHLY / UNIT
Cash / outright purchase	Full ownership, no finance cost	—
Instalment sale (fleet)	[60] months, [00] % deposit, linked rate	R [0 000]
Operating lease / full maintenance	Fixed monthly, maintenance & tyres included	R [0 000]

Monthly figures are placeholders. Finance is subject to credit approval and the rate prevailing at signature.

6. Warranty, Service & Aftersales

- Manufacturer warranty: **[5-year / 150 000 km]** — confirm.
- Service plan: **[included / term]**, fixed service pricing.
- Roadside assistance: **[term]**.
- Priority fleet servicing & booking at CMH Wetland.
- Fleet-rate parts and labour where applicable.
- Single account manager for all bookings and queries.

Uptime matters most for a security fleet. We will agree service scheduling that staggers the fleet so you are never short of vehicles, and we hold common service parts to avoid delays.

7. Delivery & Rollout Plan

PHASE	ACTIVITY	TIMING
1 — Order	Final spec, colours, livery & finance confirmed; order placed	Day 0
2 — Prep	Pre-delivery inspection, tracking & livery fitment	Days [1–10]
3 — Handover	Batch delivery, licensing & registration, driver walkthrough	Days [10–21]
4 — Review	Fleet account set-up confirmed; first service scheduled	Day [30]

Timing depends on stock availability at order; current lead time will be confirmed with the final quote.

8. Why Buy Your Fleet from CMH Wetland

- **Right vehicle for the job.** The Tiggo Cross CVT LiT balances presence, comfort, economy and price for security work.
- **One fleet account.** A single manager for pricing, orders, deliveries, servicing and queries.
- **Uptime focus.** Staggered servicing and parts availability built around keeping your fleet on the road.
- **Transparent pricing.** Every figure confirmed in writing before you sign — no surprises.
- **Flexible ownership.** Cash, instalment or full-maintenance lease to match your cash-flow.

9. Acceptance

This proposal is valid until **[31 October 2026]**. Acceptance below authorises CMH Wetland to prepare a final fleet quotation and order documentation at the confirmed specification and pricing. This document is not a binding contract until a fleet sale/lease agreement is signed by both parties.
